16th - Donuts for Dads
18th - Pajama Day

Ring, Ring! It's Spring!

Springtime is here! Grass is turning green and flowers are growing. Birds are singing. Bees are buzzing. Kites flying in the sky. Spring! Spring! Springtime is here! Please pack cooler clothing such as short sleeves and shorts as well as a change of clothes. All students need to bring a water bottle daily.

Spring Egg Hunt!

Happy Spring to all our little peeps! The Easter Bunny is hopping over to visit FMCP. Our Spring Celebration is Thursday, April 17th. The children will be participating in an Egg Hunt, and our families can help too! Parents can bring in plastic-filled easter eggs (no peanuts); every dozen counts as one credit for the month.

Spring Luncheon Party

Our luncheon is Thursday, April 17th at 12pm. FMCP is changing the menu for holiday parties. We are going to go low sugar and no dyes. We will no longer do cupcakes and super sweet things with icing. We will include fruits and veggies, chicken bites, and popcorn without the hull. Please check with your teachers to sign up for your child's class yummy treats. There is space on the sign up sheet for added ideas.

Parking Lot and Safety!

These measures are imperative to the safety of all families and staff.

- ★ Children must remain with a parent/guardian at all times during arrival and dismissal.
- ★ Children are not allowed to enter classroom alone and must be accompanied by parent/guardian
- ★ Please hold your child's hand when entering or exiting the gates in the parking lot
- ★ AT NO TIME SHOULD CHILDREN BE LEFT IN VEHICLE UNATTENDED OR ALONE

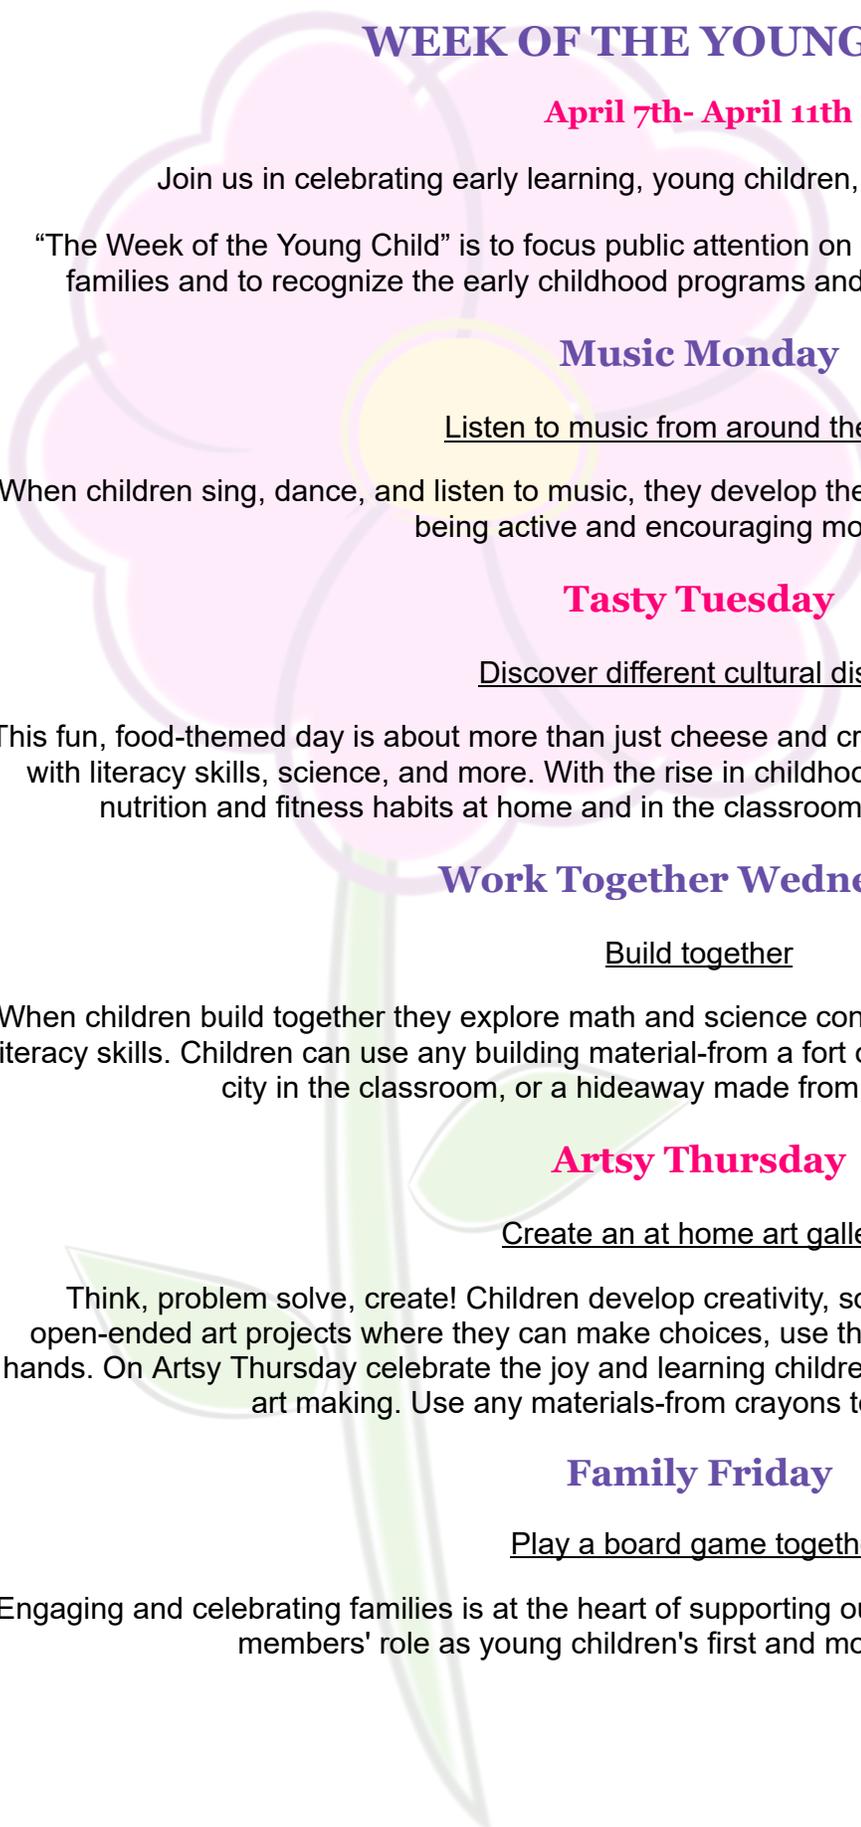

DAILY SCHEDULE

DROP OFF - between **7:30 - 9:00 a.m.**

- Students must be in attendance by 9 am.

PICK-UP - before **5:30 p.m.**

- Late pickup fees will apply

WEEK OF THE YOUNG CHILD

April 7th- April 11th

Join us in celebrating early learning, young children, their teachers, and families.

“The Week of the Young Child” is to focus public attention on the needs of young children and their families and to recognize the early childhood programs and services which meet those needs.

Music Monday

Listen to music from around the world

"When children sing, dance, and listen to music, they develop their language and early literacy skills while being active and encouraging movement."

Tasty Tuesday

Discover different cultural dishes

This fun, food-themed day is about more than just cheese and crackers. Cooking together connects math with literacy skills, science, and more. With the rise in childhood obesity, you can encourage healthy nutrition and fitness habits at home and in the classroom. Create your own healthy snack

Work Together Wednesday

Build together

When children build together they explore math and science concepts and develop their social and early literacy skills. Children can use any building material-from a fort of branches on the playground to a block city in the classroom, or a hideaway made from couch pillows at home.

Artsy Thursday

Create an at home art gallery

Think, problem solve, create! Children develop creativity, social skills and fine motor skills with open-ended art projects where they can make choices, use their imaginations, and create with their hands. On Artsy Thursday celebrate the joy and learning children experience when engaged in creative art making. Use any materials-from crayons to paint, clay to crafts!

Family Friday

Play a board game together

Engaging and celebrating families is at the heart of supporting our youngest learners. We applaud family members' role as young children's first and most important teachers.
